What You Get When You Join P.E.A.C.E.

You will become a link in the P.E.A.C.E. Network helping to build strength for our work to give children a chance to thrive in peace and well-being. Actions coordinated through networking are more effective. Members receive one newsletter and one resource Packet each year. These will be provided by e-mail in the future, but printed copies will continue to be available as well. Members are invited to our Annual Meeting held during the NAEYC National Conference, and to attend our P.E.A.C. E. offered seminars and other workshops during the Conference. In addition P.E.A. C. E. members in some areas work together as participants and advocates at local early childhood events. Members are encouraged to contribute ideas, activities, and resources to the newsletter, and website, and to spread the work of P.E.A.C.E. through their other networks.

Our goal is to support the activism of our members in their work for a peaceful world for children. Action alerts will be updated on our website regularly. You are also invited to join our list serve Act4PEACE where you and others can post action messages and information.

All materials published by P.E.A.C.E. are available to be reproduced and distributed.
